

# Medications and Drug Use in Breastfeeding Mothers

**Tuesday, March 21, 2017**

Registration and Hors d'oeuvres 6 p.m.; presentation 6:30-8 p.m.  
Kachmann Auditorium  
7910 West Jefferson Blvd., Fort Wayne, Ind. 46804

**Presented by Thomas Hale, R.Ph., Ph.D.**

Author of "Medications and Mother's Milk"

Professor, Department of Pediatrics and Department of Pharmacology,  
Texas Tech University Health Science Center at Amarillo

#### Participant Objectives:

1. Describe the transmission of drugs into breast milk.
2. Present information to mothers on breastfeeding and various medications, including drugs of abuse.
3. Provide information to mothers on continuing breastfeeding after diagnostic procedures.
4. Develop strategies for communicating with health care providers.

This perinatal lecture is brought to you in part by Lutheran Children's Hospital and Women's Health Advantage.

**RSVP by March 20 to Carmen DeBruce, RN,  
at [cdebruce@lhn.net](mailto:cdebruce@lhn.net) or (260) 435-7354.**
