

Perinatal Mood Disorders: What Providers Need to Know

Nancy Roberts, RN

Wednesday, January 25, 2017

12:15 pm - 1:15 pm.

- **Lutheran Hospital Special Function Rooms 3 & 4 (lunch provided)**
- **Dupont Hospital will provide remote viewing in the Resource Room**

Participant Objectives:

1. Differentiate between the symptoms of each Perinatal Mood Disorder: Baby blues, postpartum depression, postpartum anxiety/panic, postpartum obsessive/compulsive, post-traumatic stress syndrome due to childbirth, postpartum psychosis.
2. Identify recommended screening measures for Perinatal Mood Disorders.
3. State 3 different treatment options for Perinatal Mood Disorders.
4. Describe Perinatal Mood Disorder resources available to healthcare providers and consumers.

CONTINUING MEDICAL AND NURSING EDUCATION CREDITS

Fort Wayne Medical Education Program is accredited by the Indiana State Medical Association to provide continuing medical education for physicians.

FWMEP designates this live activity for a maximum of 1.0 *AMA PRA Category 1 Credit™*. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

Lutheran Health Network is an approved provider of continuing nursing education by the Ohio Nurses Association, an accredited approver by the American Nurses Credentialing Center's Commission on Accreditation. (OBN-001-91) (OH-420, 6/1/2019)
