

The Power of Boundless Compassion

How can compassion and kinship transform Fort Wayne?

The St. Joseph Community Health Foundation and the University of Saint Francis invite you to an afternoon with Father Greg Boyle, a Jesuit priest and founder of Homeboy Industries.

Learn how Father Greg uses compassion to help transform the lives of gang members living in Los Angeles. We'll hear from Father Greg and ask the question "How can we put God's compassion to work in Fort Wayne?"

"The measure of our compassion lies not in our service of those on the margins...but only in our willingness to see ourselves in kinship with them."
