

Allen County SUID

Allen County Data

Per IDOH, from 2015-2019, there were a total of 20 SUID deaths in Allen County

11 SUID were among Non-Hispanic Black infants, for a rate of 2.6 per 1,000 births*

All other race/ethnicities were suppressed due to low counts (<5)

Accomplishments

- ▶ Any infant in Allen County who needs a crib can get one
- ▶ Community collaboration = standardized education
- ▶ Innovation occurring locally
- ▶ Growth of home visiting, doulas, and other services offer increased support to more families

Opportunities

- ▶ Eliminate disparities through focused efforts on populations at highest risk
- ▶ Connect families to agencies who provide cribs and education
- ▶ Educate ALL infant caregivers
- ▶ Seek out novel approaches to reaching community
